

UNITED

United, part of Euro Media Group, is the number one specialist in Outside Broadcasting in The Netherlands. United contributes to high-quality footage of numerous (international) sports and music productions, TV shows, talk shows, game shows, soap operas, cultural programmes, dramas and show programmes. As well in the Netherlands as across Europe and beyond.

Having specialised in outside broadcast productions for years now, United may rightly call itself a front-runner in innovative HD and 3D facilities in the Netherlands. United has over 400 professionals on staff, an extraordinary capacity of audiovisual equipment and 9 outside broadcast units (5 of which are HD) of international standard. All our High Definition OB's can record in HD, SD and 3D and are equipped with state-of-the-art audio facilities.

OB 6 is a large High Definition OB truck. With its sliding wall construction it offers a lot of extra space and has proven its worth in show programmes, sports matches and music registrations. The versatility of its technical operations makes this truck an all-rounder and can hold up to 12 Thomson LDK 8000 Elite camera's.
